Dear Maxine Pacini:

Re: Request for roll over of the TDC Bricks and Mortar 2005 Grant (2)
120 70040 530340 T50B498X 530340

The 10 month construction delay in beginning our first (2004) Bricks and Mortar Grant has contributed to a delay in initiating and completing the second (2005) Grant. Due to ongoing construction delays, the Museum anticipates that it will be difficult to complete all of the contract items in the 2005 Grant by September 30, 2006.

We are therefore requesting a roll over of approximately \$75,000 (of the remaining \$105,946) into the TDC fiscal year that begins Oct. 1, 2006. We are asking for our roll over extension to be granted until March 31, 2007.

Thank you for your help in developing this new Museum for the Islamorada area. We look forward to your approval of this roll over request.

Sincerely,

Sally E. Bauer
Grant Project Manager

Grant Award Agreement

This AGREEMENT dated the 16th day of March 2005, is entered into by and between the BOARD OF COUNTY COMMISSIONERS FOR MONROE COUNTY, hereinafter "County" or "GRANTOR," on behalf of the TOURIST DEVELOPMENT COUNCIL, hereinafter "TDC" and The Florida Keys History of Diving Museum, Inc., hereinafter "Grantee".

WHEREAS, the third penny of Tourist Development Tax may be used to acquire, construct, extend, enlarge, remodel, repair or improve, convention centers, sports stadiums, sports arenas, coliseums, auditoriums, fishing piers, museums, zoological parks, nature centers and beaches which are publicly owned and operated or owned and operated by not-for-profit corporations, and

WHEREAS, Grantee owns and contracts to a not-for-profit corporation for the operation of a museum open to the public; and

WHEREAS, Grantee has applied for funding for the History of Diving Museum – Phase 1B project; and

WHEREAS, the Grantor and TDC have determined that it is in the best interest of the County, for purposes of promoting tourism and preserving the heritage of the community, to improve, repair and rehabilitate the property for use as a museum open to the public;

NOW, THEREFORE, in consideration of the mutual covenants and payments contained herein, the Grantee and the Grantor have entered into this agreement on the terms and conditions as set forth below.

1. GRANT AGREEMENT PERIOD. This agreement is for the period March 16, 2005 through September 30, 2006. This agreement shall remain in effect for the stated period unless one party gives to the other written notification of termination pursuant to and in compliance with paragraphs 7, 12 and 13 below.

2. SCOPE OF AGREEMENT. The Grantee shall provide such materials and services as are required for the renovation of facility and Exhibit Design and Construction which will include: (a) extermination; window wall reconstruction; roof repair; sign electrical/trenching; engineering/permits; (b) landscaping; parking area; fire hydrant; engineering/permits (c) interactive technology; educational interactive exhibits enhancement; interpretive/content for exhibits as described in the funding application; and acquisition and installation of remote vehicle tank and remote vehicle equipment. All work for which grant funds are to be expended must be completed by the stated termination date of September 30, 2006 and all invoices pertaining to this project shall be submitted to the Finance Department of Monroe County no later than September 30, 2006 to be considered for payment.

a) There shall be a project manager to acknowledge receipt of goods or work performed. This Project Manager shall be Mr. Daniel W. Kunz, P.O. Box 897, Islamorada, FL 33036 (Telephone: (305) 664-0190). Should there be a change in the project manager specified in the Grantee's application, a new project manager shall be designated and notice of the designation shall be provided to TDC/County.

b) If, and to the extent that, Grantee contracts for any of the work funded under this agreement to be performed or completed, Grantee shall give notice to County of the contractual relationship, provide County with a copy of any and all contracts and shall require the contractor(s) to comply with all the terms of this contract. Should grantee contract the work and then decrease the scope of work to be performed by a contractor, Grantee shall provide County with an amended contract executed by Grantee and its contractor.

c) Grantee shall exercise good internal controls to assure that the project as described in the funding application shall be completed on a timely basis within the proposed budget and shall provide to County any certifications, including those by the architect, engineer, contractor or an independent consultant if necessary, required to establish that materials which are purported to be applied to the project are in fact so applied. Further verification shall be required to show that equipment and other fixtures and personal property covered by this agreement are delivered to and installed in the project site.

3. **AMOUNT OF AGREEMENT AND PAYMENT.** The Grantor shall provide an amount not to exceed \$116, 021 (One Hundred and Sixteen Thousand and Twenty One dollars) for materials and services used to renovate the property. The Board of County Commissioners and the Tourist Development Council assume no liability to fund this agreement for an amount in excess of this award. Monroe County's performance and obligation to pay under this agreement is contingent upon an annual appropriation by the BOCC.

a) Payment shall be made upon the completion of a specific phase as outlined in the Scope of Services. Payment for expenditures permissible by law and County policies shall be made through reimbursement to Grantee upon presentation of Application for Payment Summary- AIA Document G702, invoices, canceled checks and other documentation necessary to support a claim for reimbursement. Included in said documentation shall be proof that the Grantee has received and applied to the property matching funds equivalent to or greater than the amount invoiced to the Grantor. All submissions for payment shall have a proposed schedule of values for phases and indicate the percentage of completion of the overall project as of the submission. This document should be signed by the project architect, engineer, general contractor or project manager. Photos of the progress of the work shall also be submitted with the payment application. When the project requires a county and/or municipal building permit(s), it shall be the responsibility of the project architect, engineer, general contractor or project manager to initiate the communication with the Monroe County Construction Management Department to facilitate the inspection of said phase and obtain the signature of a Monroe County

Construction Manager as to the completion of said phase at which time the documentation shall be submitted for payment.

The application for payment document must be certified through a statement signed by an officer of the organization and notarized, declaring that representations in the invoice are true and factual. Grantee shall also provide partial releases of liens or certifications of non-lien if applicable. Grantor shall retain 10% of any payment on work in progress until the Grantee has provided a Final Release of Lien for each vendor/Contractor for whom payment is requested. Final payment will not be made until the following documents are complete and submitted to the Grantor:

| | | |
|---------------------------------------|--------|--|
| AIA Document | G-702 | Application for Payment Summary |
| AIA Document | G-704 | Certificate of Substantial Completion |
| AIA Document | G-706 | Contractor's Affidavit of Debts & Claims |
| AIA Document | G-706A | Contractor's Affidavit of Release of Liens |
| AIA Document | G-707 | Consent of Surety to Final Payment |
| Final Release of Lien | | |
| Affidavit and Partial Release of Lien | | |

All payment requests must be submitted no later than the completion of project of September 30, 2006. Invoices received after September 30, 2006 will not be considered for payment.

b) Grantee may elect to have vendors and contractors paid through the direct vendor method, upon submission of appropriate documentation as outlined above and a specific request that payment be made directly to the vendor or contractor rather than to Grantee.

c) Application of matching funds requires actual payment of the matching funds, or, in the alternative, a commitment of said funds and that the portion of the project for which the matching funds are to be used has been sufficiently completed to require payment of said matching funds. Mere obligation through execution of a contract or approval of a budget item to be paid from matching funds will not suffice.

d) Documentation shall be submitted to the TDC Administrative Office to show the receipt and application of in-kind donations of goods, professional services, and materials. Said documentation should include invoices, bills of lading, etc., and be verified as received and applied to the project through a notarized statement of the project architect, engineer, general contractor or project manager. The receipt and application to the project of volunteer labor are to be documented and verified by notarized signature of the project architect, engineer, general contractor or project manager, and said documentation submitted to the TDC Administrative Office. All submissions shall identify the items included in the schedule of values attached hereto and incorporated herein as Exhibit A which are sought to be reimbursed and shall indicate the percentage of completion of the overall project as of the submission. This document should be signed by the project architect, engineer, general contractor or project manager. Photographs showing progress on project shall be included in any payment request. The Project manager shall certify delivery to the project site and installation therein of any goods or services provided other

than through an architect, engineer or contractor. All work performed and goods received on site and incorporated into the project shall be verified by one of the foregoing.

e) Grantee must submit all documentation for final payment on or before the termination date of this grant of September 30, 2006. Invoices received after September 30, 2006 will not be considered for payment.

f) At any time that the documentation requirement policies of Monroe County are revised, such as to require annual inventory reports for equipment purchased under a TDC capital project grant, Grantee shall comply thereafter with such increased requirements, or further funding under the agreement may be terminated by County.

g) Upon successful completion of this Grant agreement, the Grantee may retain ownership of the real and personal property acquired and/or improved with funding under this Grant Agreement. However, the Grantee shall complete and sign a Property Reporting Form for personal property and forward said completed form with the appropriate invoice to the TDC Administrative Office. Real property acquired or improved through funding under this agreement shall remain dedicated for the purposes set forth herein or for other purposes which promote tourism and retain ownership of said property in the Grantee. The following terms shall apply:

(i) The Grantee shall have the use of the equipment and other personal property at the project site for so long as the facility is operated by Grantee, open to the public, and has a primary purpose of promoting tourism.

(ii) At such time as any of the conditions in sub-paragraph (i) above cease to exist, the Grantee shall transfer ownership and possession of equipment and personal property to a/another not-for-profit organization which is a facility for which tourist development taxes may be used pursuant to Florida Statute; and refund to the County the amount of Tourist Development funding received for the real property phases of the project at such time that the Grantee demolishes the project facility or divests itself of ownership or possession of the real property, or the use of the property no longer has a primary purpose of promoting tourism. This provision shall survive the termination date of all other provisions of this contract for a period of ten years. Should the demolition, transfer of ownership, or change to a non-tourist related purpose occur after the facility has been used for tourist-related purposes for at least three (3) years, the amount of refund shall be pro-rated based on a useful life of ten (10) years.

(iii) The Grantee is responsible for the implementation of adequate maintenance procedures to keep the real and personal property in good operating condition.

(iv) The Grantee is responsible for any loss, damage, or theft of, and any loss, damage or injury caused by the use of, real or personal property or equipment purchased through funding under this Agreement.

4. RECORDS AND REPORTS. The Grantee shall provide financial reports in summary of activity on forms provided or approved by the TDC, and quarterly narrative reports of activity under the approved work plan. The Grantee shall keep such records as are necessary to document the performance of the agreement and expenses as incurred, and give access to these records at the request of the TDC,

the County, the State of Florida or authorized agents and representatives of said government bodies. The Grantee shall also provide such access to the personal property and equipment purchased under this agreement. It is the responsibility of the Grantee to maintain appropriate records in accordance with generally accepted accounting principles consistently applied to insure a proper accounting of all funds and expenditures. The Grantee understands that it shall be responsible for repayment of any and all audit exceptions which are identified by the Auditor General for the State of Florida, the Clerk of Court for Monroe County, the Board of County Commissioners for Monroe County, or their agents and representatives. In the event of an audit exception, the current fiscal year grant award or subsequent grant awards will be offset by the amount of the audit exception. In the event the grant is not renewed or supplemented in future years, the Grantee will be billed by the Grantor for the amount of the audit exception and shall promptly repay any audit exception.

(a) **Public Access.** The County and Grantee shall allow and permit reasonable access to, and inspection of, all documents, papers, letters or other materials in its possession or under its control subject to the provisions of Chapter 119, Florida Statutes, and made or received by the County and Grantee in conjunction with this Agreement; and the County shall have the right to unilaterally cancel this Agreement upon violation of this provision by Grantee.

5. MODIFICATIONS AND AMENDMENTS. Any and all modifications of the terms of this agreement shall be only amended in writing and approved by the Board of County Commissioners for Monroe County. The terms, covenants, conditions, and provisions of this Agreement shall bind and inure to the benefit of the County and Grantee and their respective legal representatives, successors, and assigns.

6. INDEPENDENT CONTRACTOR. At all times and for all purposes hereunder, the Grantee is an independent contractor and not an employee of the Board of County Commissioners of Monroe County. No statement contained in this agreement shall be construed as to find the Grantee or any of its employees, contractors, servants or agents to the employees of the Board of County Commissioners of Monroe County, and they shall be entitled to none of the rights, privileges or benefits of employees of Monroe County.

(a) **No Personal Liability.** No covenant or agreement contained herein shall be deemed to be a covenant or agreement of any member, officer, agent or employee of Monroe County in his or her individual capacity, and no member, officer, agent or employee of Monroe County shall be liable personally on this Agreement or be subject to any personal liability or accountability by reason of the execution of this Agreement.

PART V:**PROJECT BUDGET AND TIMETABLE - ALL PROJECTS**

1. **Cost Estimates:** List all major work items and the estimated costs of each. If the project is phased, segregate clearly those costs for the phase to be assisted by the TDC funds requested. All phases and total estimated cost of the entire project must be listed here.

| | | |
|------------------|--|------------------|
| Phase 1B: | a) Building Renovation | \$ 55,279 |
| | b) Additional Physical Requirements | \$ 21,757 |
| | c) Technology Enhancements/Exhibits | \$155,006 |
| | Total Phase 1B: | \$232,042 |

(TDC Assist at 50% or \$116,021).

Total MUSEUM PROJECT Phases 1-5 (10 Year): \$5,845,366

Total cost of phase/project (Phase 1B) for which funds are requested:
(not to exceed 50% of the total project cost:

| | |
|-------------------------|---|
| TDC - Phase 1B | \$ 116,021 (TDC Grant Request - 50%) |
| Total - Phase 1B | \$ 232,042 |

Percentage of TDC funds requested of Total Budget: (not to exceed 50% of the total project cost)

| | | |
|--|------------------------|---------------------|
| Phase 1B (TDC Request \$116,021) | a) Phase 1B: | 50% (by TDC) |
| All Phases - 10 Years (\$5,845,366) | b) % of Project | 1.5% |

2. **Confirmation** that signed, sealed bid process was utilized for acquiring architectural services, or that project does not require architectural services. **Architectural services are NOT required and sealed bids are not required for project segments under \$25,000. Museum shall serve as General Contractor.**

3. **Matching Funds.** List the sources and amounts of confirmed matching funds. (For items involving personnel, include the number of hours to be spent on the project activities and their per-hour value). These funds must not be expended before execution of a Capital Project Agreement. Prior donated services or expenditures are not acceptable as match for grant funds. No more than fifty (50%) percent of matching funds or twenty-five (25%) percent of the total project shall be in-kind services. **(ATTACHMENT f - matching funds by Principals.**

a) **Hard-dollar:** Einstein Fund, Village of Islamorada, Easy Storage, Principals of Museum (Bauers), Friends of the Museum, Gate, etc. up to \$58,011. **(ATTACHMENT f, EXHIBIT 6)**

b) **In-Kind (50%) limit:**

| | |
|---|--|
| Total confirmed matching In-Kind Products: | \$ 14,500 Products |
| Total confirmed matching In-kind Services: | \$ 7,740 Labor (\$13/hr/595hrs) |
| Exhibit Development by Drs. Bauer | \$ 35,771 Expertise |
| TOTAL | \$ 58,011 |

This amount should equal or exceed TDC Funds requested. **(YES, Equal To)**

Projected in-kind services and goods shall be allocated the following values, subject to negotiation with TDC/County. List here all such anticipated values:

(ATTACHMENT f – Valuing In-Kind) The Museum received a TDC Bricks and Mortar grant in 2004 for building renovation and exhibit design and construction (Phase 1A). For the Exhibits, the In-Kind cost figure of \$160/sq. ft. to build the structure of static, object-based exhibits was proposed and accepted by the TDC and County Finance Office. This was the lowest of all documented exhibit design and construction costs received.

We have used a similar approach for determining the cost of technology-based interactive exhibits. Such exhibits normally cost substantially more than static object-based displays. These rates average \$970 per sq. ft. We have used a conservative estimate of \$431 per sq. ft. **Interpretive In-Kind is estimated to be 30% of the total product and installation cost for the technology Intense Interactive exhibits or \$35,771 (ATTACHMENT f – see letters for cost estimates).**

Volunteer labor, for production/assembly/installation of exhibit structures is valued at \$13/hour based on comparative rates for semi skilled day labor.

In addition, contribution of in-kind products or services shall be booked at the value stated in the providers estimate for those products or services (ATTACHMENT f).

4. Outline of expansion opportunity for acquiring further match grants.

The Museum has been requested to submit a new grant request to the Einstein Fund and has done so. We expect to receive a generous grant to help match the TDC funding. We have already raised a substantial amount of the matching funds required for the prior TDC grant and have another 13 months to reach our goal. Other Grant Proposals/Requests are pending.

In addition, we have had competent advice from retail experts who have indicated that the Museum Shop, with its contracts to sell original David Dunleavy and Guy Harvey art should produce significantly greater income than initially projected. Reflected in budget (EXHIBIT 5 – budgets)

Reanalysis of the gate potential was also previously underestimated (EXHIBIT 3 – Community Benefit Analysis). In addition, recent development of interest in co-marketing the Museum by local businesses, hotels and dive shops should significantly increase estimated revenue.

Further, Arts Council, Village of Islamorada and Community Fund of the Florida Keys grants have been sought.

3. Tentative timetable. Indicate all major project activities and the anticipated time required to complete each stage of the project on the graph below.

Project Timetable (in months)
